

THE PIER AT COASTAL CAROLINA

Client: Aptitude Development
Location: Conway, SC
Product Type: Student Housing – Amenity Interior Design
Services: Interiors, Architecture
Total Units: 182 in 3 buildings
Amenity Space: 9,972 sf

This four-story garden project houses nearly 600 students on 11 serene acres just to the west of Coastal Carolina University. The dynamic two-story amenity space embraces the coastal vibe and language of the beach pier with study and collaboration spaces overlooking the flex lawn and resort-style pool. Weathered wood, blue tones and exposed structural elements support areas that provide focus as well as opportunities to relax and unwind.
