

VILLAS AT LEGACY WEST

Client: Britton Homes
 Location: Plano, TX
 Product Type: Narrow Lot Single Family Home
 Services: Architecture
 Unit Size: 3,452 sf

These narrow lot luxury villas are designed for professionals seeking single family detached living in an urban setting. The distinctly modern elevations hint at classic Texas architectural styles, using earth-toned stucco and stone in contemporary ways. But inside, there's no mistaking these homes for traditional. Sleek, luxurious finishes extend to every level, including third-story rooftop terraces with views of the nearby commercial district. Optional elevators and a variety of floor plan options allow buyers to personalize each residence.
