

PASEO VISTA VILLAGE

Client: Meritage Homes

Location: Chandler, AZ

Product Type: Multifamily For Sale Townhomes

Services: Architecture

Unit Size: 2,286 sf to 2,927 sf

The tiled gable roofs, stucco siding, arched entries and warm color tones of these luxury townhomes reflect authentic Arizona architecture. These details and careful massing help each four-plex building feel like a large custom home. The entry sequence begins in a private courtyard with corner sliders that can fully connect the outdoor living area to the kitchen and dining nook. Inside, the contemporary open concept floor plan gets volume in the dining area and stair to visually expand the room.
