A short walk to campus, Gather Uptown is an Art Deco inspired five-story student housing community that accommodates more than 400 residents and includes a multi-story parking deck. Units offer private bedroom suites and plenty of circulation space connecting shared common areas. The building offers extensive community amenities: an integrated clubhouse with exercise room, study rooms, game lounge, collaborative work lounge and café. Outside, students enjoy lounging by the pool or taking in campus views from the unique roof deck.
