

# AXIOM TUSTIN CLUBHOUSE

Client: Raintree Development  
 Location: Tustin, CA  
 Product Type: Infill Apartment Community Clubhouse  
 Services: Architecture  
 Size: 2,873 sf

This infill clubhouse is the anchor within the Axiom Tustin apartment community. The exterior features unique and sharp angles to add visual appeal to the stucco siding. Inside, high ceilings and the use of bright colors emphasize the modern feel of the design. Amenities include leasing, private offices and conference room, large communal space and a partially covered outdoor patio.
