This luxury multifamily community brings an urban lifestyle to its suburban neighborhood. The contemporary elevation starts at the clubhouse, where large steel awnings and brackets visually anchor the building. Throughout the development, the modern design employs a mix of stucco, brick and wood lap siding. Units feature functional, simple floor plans and covered outdoor living. At the club building, guests enjoy an amazing rooftop deck. Amenities also include a yoga studio, fitness center and a resort-style pool with a poolside lounge.
